Amaryllis's dam has over 100" of total horn. Amaryllis is a double bred granddaughter of Bolen Longhorn's Ringa Dinger cow, so what's not to like here! Also, a great granddaughter of triple twisty LLL Tessa Bella cow owned by Cold Copper Ranch! Amaryllis horns are completely lateral even with all the twist in this beautiful deep red girl's pedigree. Bottom side is mainly Nancy Dunn genetics with her grand dam being Dunn Bravo Celebrity
